**TRIJAL**<sup>®</sup>  
MAKES YOU HAPPY

# About Us

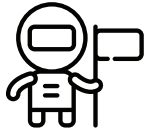

Trijal originated in 2021. Two friends had a vision “To spread happiness by turning and everyday essential in to a colourful design piece and rigid standards of ultimate quality”

Trijal features an almost endless variety of products and designs using a broad spectrum of color combinations and original patterns.

Trijal is a premium manufacturer of Engineering Polymer Products & Moulds such as Polytetra Methylene Terephalate, Acrylonitrile Butadiene Styrene, Poly Oxy Methylene, Polyacetal, Nylon66 etc. Our enhanced inhouse tool room equipped with Wirecut, CNC, VMC etc makes the company at a position to develop its own moulds to ensure superior creativity and usage of Virgin grade engineering polymers.

TRIJAL has an experience of manufacturing and trade in the field of exclusive Taps, Connection Pipes, Collapsible Pipes, Waste Pipe, Long Bend and its Waste Couplings in India. TRIJAL's designer faucets are elegantly crafted and are functionally the best in the market. It has been all our professional designing team's effort, with their many years of experience in this industry that made Trijal into the market.

## OUR MISSION

Quality in our **Products** and  
**Excellence** in our processes.

01

## Vision

To produce high quality,  
low cost, easy to use  
products for individuals

02

## Core Values

**Integrity** as the basis of any relationship  
**Focus on Consumer** is a fundamental ingredient for our success

**Respect for people** makes us even stronger

**Developing people** is fundamental to sustain our growth

**High Performance** is what we strive for permanently

Constant **Innovative Sprite**

**Sustainable Growth**

**Global Vision, Local Agility**

**Commitment to diversity** and the acceptance of differences

03

## INSERT

Specially Designed SS-304 Insert  
to give extra strength

In our taps we insert stainless steel 304 pipe  
for strength and long life

## PRODUCT FEATURES:

These USPs make our products altogether more bankable

### EASY OPERATIONS

Ensures a comfortable &  
relaxing bathroom time.

### LASTING FINISH

Resists corrosion and wear  
two times longer than the  
industry standard

### SMOOTH FLOW

Ergonomic built and prolific  
structure of the pieces allows  
for the smooth flow of water.

### DURABLE

They can stand the test of time  
as heat, scratches, and shocks  
cause the least damage to them.
