

Trijal originated in 2021. "Harsh Chaudhary envisioned spreading happiness by transforming everyday essentials into vibrant design statements, built on uncompromising quality standards"

Trijal features an almost endless variety of products and designs using a broad spectrum of color combinations and original patterns.

Trijal is a premium manufacturer of Engineering Polymer Products & Moulds such as Polytetra Methylene Terephthalate, Acrylonitrile Butadiene Styrene, Poly Oxy Methylene, Polyacetal, Nylon66 etc. Our enhanced in house tool room equipped with Wirecut, CNC, VMC etc makes the company at a position to develop its own moulds to ensure superior creativity and usage of Virgin grade engineering polymers.

TRIJAL has an experience of manufacturing and trade in the field of exclusive Taps, Connection Pipes, Collapsible Pipes, Waste Pipe, Long Bend and its Waste Couplings in India. TRIJAL's designer faucets are elegantly crafted and are functionally the best in the market. It has been all our professional designing team's effort, with their many years of experience in this industry that made Trijal into the market.
